Home Care 100 Announces Launch of New Leadership Gathering in 2024

Enhanced Exclusivity and Purposefully Intimate Experiences at the Core of Prestigious Gatherings

May 10, 2023 - Lincoln Healthcare Leadership (LHL), a renowned healthcare advisory company, today announced that beginning next year [Home Care 100](#) will be hosted in both January and June. With unprecedented demand for its original business insights, best practice sharing, and extraordinary community of thought leaders, Home Care 100's expansion to two annual gatherings will strongly elevate its purposefully intimate and individualized format. 2024 dates and locations will be:

- **January 21-24, 2024**, Fairmont Scottsdale Princess, AZ
- **June 3-6, 2024**, Waldorf Astoria Monarch Beach, CA

The top echelon of the home care market, including providers (home health, personal care, hospice), payers and select product/service companies, convene at Home Care 100 for intensive and inspiring three-day programs that equip home care leaders to be exceptional in their leadership, strategy and innovation, and meaningfully drive their organization's goals.

The January and June events will curate distinct content, speakers and attendees for extremely fresh learning and relationship-building tapestries. Home Care 100's pillars will remain: strategy-influencing insights delivered in a retreat setting with white-glove customer service.
